Our Retirement Sale Continues! 40% off the Regular Price Starting 11/3

Dear Friends,

We certainly have been busy the past few weeks! Thank you to you all! Armloads of fabric, notions and books have been carried out and many of our machines have found new homes. Sales are fun, but the best part of our day continues to be visiting with you all. We hope you will stop in often if even to just say hi. We are still planning to be open until December 19th, so no final Good-Byes just yet!

Here are this weeks' updates:

We still have a great selection of fabric and machines to choose from so be sure to visit. This is a great time to stock up, fill holes in your stash, buy backing for your projects or pick up the sewing/embroidery machine of your dreams.

- **Starting Tuesday, 11/3, take 40% off the regular price of all in-store merchandise**
- **All remaining floor model sewing machines are now discounted at Up To 50% off MSRP. As of right now we have one of each of the following machines:**
 - **Bernette 79 Sewing and Embroidery machine**
 - **Bernina L450 serger**
 - **Pfaff 1.5 Sewing and Embroidery machine**
 - **Pfaff 4.5 Sewing and Embroidery machine**
- **In addition to kits and notions, our front show room now contains an ever-changing selection of our retired store samples. All samples are marked at what it cost us to make.**

Looking for a specific sample? Let us know. We may still have it in our upstairs stash and would be happy to take a look.

And just a few reminders:

Sale Details: Our retirement sale is in-person only and is first come, first served. We are not able to "hold" items, we cannot ship orders and we will not be able to take phone or email orders. \$25 Rewards receipts can no longer be redeemed, however, Gift Cards are welcome. Special orders already placed and paid for are not eligible for further discounts and may not be returned. One yard minimum cuts on fabric on the bolt. All sales are final.

Store Hours: Our store hours are Tuesday thru Saturday 10am-2pm. We are closed on Sunday and Monday and will be closed on Thanksgiving Day.

Safety: Masks and hand sanitizer continue to be required. Masks must be worn properly and cover both your nose and mouth. In order to manage the number of customers in the shop we are passing out numbers as you enter. If we hit our limit we will ask you to wait on the porch until another customer leaves and turns in their number. Everyone's safety remains our biggest concern. We are asking everyone to be mindful and maintain a safe distance while shopping.

Machines Sales: Prices are as marked and additional discounts will not be taken. These are new machines and have full manufacturer warranties. Trade-ins will not be taken on these sales, and all sales are final. Stop in for pricing or additional information. No phone inquiries please.

Gift Cards: Previously purchased gift cards will be honored until our close date. No additional gift cards will be sold, however.

Etsy: Our [Etsy Shop](#) remains OPEN and will be regularly updated.

Thank you, again, for all your friendship and your support.

Take care,

Elaine and Mike
