## A New Beginning for Stitching On State

**Dear Friends,**

Saturday was the final day of our retirement sale and our message to you all is simple. **Thank You. Thank You** for sharing with us, **thank you** for laughing with us, **thank you** for your support and trust through thick and thin (and through Covid!). Most importantly, **thank you** for your friendship. We will miss seeing you all each day, but have no doubt our paths will cross again.

**Sometimes when you wish hard enough, dreams do come true.** Our decision to retire was difficult because we truly love the shop-and you all. In an earlier email I mused that "maybe someone will see our closing as an opportunity to follow *their* dreams and open a quilt shop in the area". Well, that's exactly what happened. **As of this morning, Pat Krenz, one of our very good customers, is the new owner of Stitching on State! Welcome Pat!!** She loves the shop, loves the old house and loves the ladies who work with us all. This is a dream come true-for us and for her. Pat, Terri and Jann are already hard at work ordering new fabric from the latest lines to refill the shelves. Can you imagine the choices you will have?

The shop will be closed for a brief period while new items arrive. In the meantime, watch for updates from Pat and details about Stitching On State's grand reopening.

Hugs to you all. We wish you all good health and much happiness.  
Please be sure to share this good news with your friends.

*Elaine and Mike*
